III ADMINISTRATIVE EXPERIENCE

As Associate Dean and Director of the Office of Academic Programs in the College of Agriculture and Life Sciences at Virginia Tech (VT)

- Oversaw all aspects of the Office of Academic Programs including advice and guidance to students and faculty on academic policies and procedures, recruitment of prospective students into the College, alumni relations, career services and the two-year Agricultural Technology Associates Degree Program.
- Promoted the scholarship of teaching and learning by sponsoring College teaching mini-grants for faculty (\$60,000), hosted innovative teaching workshops and provided additional financial support for faculty to develop national teaching grant proposals. Coordinated new faculty orientation workshops to enhance success of ALL faculty.
- Promoted the use of innovative teaching methods--student engagement, active learning, critical thinking skills, undergraduate research and service learning, experiential activities, international experiences and internships.
- **Enhanced College diversity efforts and STEM projects** (e.g., ExxonMobil Astronaut Bernard Harris Math/Science Summer Camp, recruitment of high school students from the SEED Schools of Washington, DC and Maryland; facilitated re-start of MANNRS—Minorities in Agriculture, Natural Resources and Related Sciences club).
- Working with departments, awarded a record amount of scholarships—over \$720,000 in 2008/09.
- Provided resources to “Grow the College”—student enrollment increased 13%, from 2213 students in 2006 to over 2,500 students in 2008.

At the University of Kentucky (UK)

- As Chair of the **President’s Commission on Women-Scientific and Professional Advancement** subcommittee, coordinated university-wide faculty promotion and tenure workshops, 2005-06; member 2003-06.
- Appointed **Chair, College of Agriculture Diversity Task Force**, 2001-03. Results included the *Diversity Issues in the College of Agriculture* 83 page report, April 2003.
- As **AEC Director of Undergraduate Studies**, coordinated undergraduate student recruitment, retention, advising and Departmental scholarships, 2005-06.
- Elected Chair, **Agriculture Faculty Council**, 2005-06; member 2000-02 and appointed College Promotion and Tenure Committee member, 2004-06.

D.2. FAEIS Newsletters

The Food and Agricultural Education Information System (FAEIS) compiles nationwide higher education data for colleges of agriculture and related disciplines from over 200 higher education institutions. Data include student enrollment, degrees awarded and job placement by **gender, race and major**, as well as faculty counts and salaries. In regards to outreach, our VT-FAEIS team

distributed FAEIS Newsletters to over 1,800 national leaders in agriculture, including Land-Grant Colleges and Universities (1862, 1890 and 1994 Tribal) as well as two- and four-year state colleges and USDA-NIFA. Listed below are the 66 FAEIS Newsletters distributed during the time I served as Principal Director (2006-2014), including **26 FAEIS Newsletters focusing on diversity topics**. These, and USDA-NIFA priority area topics are bolded below. All FAEIS Newsletters are on the FAEIS website: <https://faeis.cals.vt.edu/resources/newsletters/>
